

Cornhole Board Dimensions

24 x 48 in regulation board -- top and side views

Regulation board: 24 x 48 in (ACL / ACO allow 23.5-24 x 47.5-48) of 1/2-in plywood on a 2 x 4 frame; 6-in hole centred 12 in from each side, 9 in from the top edge
Back edge 12 in above the ground, front edge 3-4 in -- about a 10-degree slope; folding 2 x 4 legs of 11 1/4-11 1/2 in reach 12 in once the frame is on
Mark the hole centre 9 in down and 12 in across, cut with a 6-in hole saw or a jigsaw, then sand and seal smooth so bags slide but do not skate
Two tops come out of one 4 x 8 ft sheet; set the pair 27 ft apart front edge to front edge (21 ft for juniors)
