

Cornhole Distance -- Junior Setup

Boards 21 ft apart -- juniors, tight yards and indoors

Junior distance: front edges 21 ft apart, holes 27 ft apart -- the ACL and ACO youth distance and the usual choice for a small yard or an indoor game
Same regulation boards (24 x 48 in, 6-in hole 9 in from the top, 12-in back edge) -- only the distance changes
Pitcher's boxes 4 x 3 ft either side of each board; the front edge of the board is the foul line
Allow about 8 x 34 ft overall; the ACO asks for 12 ft of vertical clearance indoors
