

Outdoor Shuffleboard Court Dimensions

52 x 6 ft deck / floor court -- not the table game

Court 52 x 6 ft: a 6 ft 6 in shooting area behind each baseline, a 1 ft 6 in 10-OFF band, then a 9-ft scoring triangle whose apex points to the centre
Triangle zones from the apex: 10 (3 ft), then 8 and 8, then 7 and 7 (3 ft each row, split by the centre line); the 10-OFF band spans the full 6-ft width
Dead lines 3 ft beyond each apex and 12 ft apart: a disc that stops short of the far dead line is removed
Lines 1 in wide; discs 6 in across and 15 oz; cues no longer than 6 ft 3 in; games to 50, 75 or 100 points
