

Badminton Court: Singles vs Doubles Lines

Which lines count in each game

-  Doubles only (0.46 m side alleys) -- the outer sidelines are the doubles boundary
-  Singles service only (0.76 m back alley) -- in play during the rally in both games

Singles: 13.4 x 5.18 m -- inner sidelines, serve to the back boundary.
Doubles: 13.4 x 6.1 m -- outer sidelines, serve to the long service line 0.76 m in; the rally then uses the whole court.
Both: short service line 1.98 m from the net; net 1.55 m at the posts, 1.524 m at the centre.
