OBITUARY

Harold Eugene Carter, 88, died peacefully at home on August 19, 2026. Born in 1938, he served two years in the Navy and then spent forty years as a machinist, a trade he was proud of and good at.

Harold fixed what was broken, whether it was his or not. He loved baseball on the radio, strong coffee, and his wife of fifty-nine years, Betty, who survives him along with their children, Mark and Susan, and four grandchildren.

*To every thing there is a season, and a time
to every purpose under the heaven:
a time to be born, and a time to die.*

ECCLESIASTES 3:1–2
