Joan and the family thank you for the casseroles, the cards and the fish stories. Dale would have said you made too much fuss, and he would have enjoyed every minute.

ABOUT DALE

Dale Edward Lindgren was born on May 3, 1947, in Brainerd, Minnesota, and was never far from water. He taught high school shop for thirty-six years, built three cedar-strip canoes, and could find walleye on a lake he had never seen.

Dale taught every grandchild to cast, to clean a fish and to sit still long enough to see a loon. He is survived by his wife, Joan; his son, Erik; his daughter, Kari; five grandchildren; and his fishing partner of forty years, Russ.

He maketh me to lie down in green pastures:
he leadeth me beside the still waters.
He restoreth my soul.

PSALM 23:2–3
