

IIHF / Olympic Hockey Rink Dimensions

60 x 30 m -- IIHF Official Rule Book

60 x 30 m is the classic Olympic sheet; the IIHF permits 26-30 m widths and recent Olympic tournaments used 26 m (NHL width) with 60 m length

Corners 7-8.5 m radius; goal lines 4 m from the end boards; blue lines 15 m apart; blue and centre lines 30 cm wide, goal line 5 cm

Face-off circles 4.5 m radius; end-zone dots 6 m from the goal line and 7 m either side of centre; neutral-zone dots 1.5 m from the blue lines

Crease 1.83 m radius arc on a 2.44 m base; goal 1.83 x 1.22 m; no goaltender trapezoid in IIHF rules
