# MADELINE HUNTER LESSON PLAN

The seven elements of lesson design, in the order they are taught.

**Teacher** _____ **Date** _____

**Grade / Subject** _____ **Standard(s)** _____

**Objective & purpose — what students will learn and why it matters**

**Anticipatory set — the hook that focuses attention**

**Input — the information, skills and vocabulary students need**

**Modeling — what it looks like when it is done well**

**Check for understanding — how you will know before they practise**

**Guided practice — students try it with support**

**Independent practice — students try it alone**

**Closure**

**Materials**

*Based on Madeline Hunter's elements of lesson design (Mastery Teaching, 1982).*
