Keep teacher-led times short; toddlers learn through routines and play. Diapering, toileting and hand-washing happen throughout and are talk time.

Posted for parents and visitors · the plan is adjusted to individual children's needs and the group · keep for three months after the week ends. Texas licensing, for example, asks for at least 60 minutes of moderate-to-vigorous active play and at least 60 minutes outdoors a day for toddlers, weather permitting (26 TAC §746.2206); check your own state's rule.
