

Ping Pong Table Room Size

Minimum and comfortable clearances around a 9 x 5 ft table

Minimum: 9 ft table + 5 ft behind each end + 3 ft each side = 19 x 11 ft. Comfortable: 22 x 14 ft. Ceiling 8 ft is fine for play; lobs want more
ITTF world-title events use a 14 x 7 m (46 x 23 ft) court with 5 m of height; lower-level tournaments run 12 x 6 m or 10 x 5 m
A midsize 6 x 3 ft table drops the minimum to about 16 x 9 ft; a table pushed against a wall with one half up is a 9 x 5 ft solo backboard
