

Shuffleboard Table Dimensions

22 ft x 20 in regulation table -- Table Shuffleboard Association

Regulation table: 22 ft long with a 20-in-wide playfield about 20 ft 8 in long; home tables run 9-16 ft with a 16-in playfield. Playing surface 30-32 in off the floor

Scoring lines at each end: the 3-line 6 in from the end of the playfield, the 2-line at 12 in; the 1 zone runs back to the foul line 6 ft from the end

A weight must cross the far foul line to stay in play; the closest weight to the end wins the frame and only that side scores. A weight hanging over the end is a hanger: 4 points

Games to 15 in singles and Knock Off, 21 in doubles; four weights per side, about 2 5/16 in across, thrown by hand on a waxed board
